MR. ARTHUR T. GLASGOW, who is prominently spoken of in conne reliabilitating Richmond Gas Works,

Do you wear W. L. Douglas \$3.50 shoes? If not, you should give them a trial, because they are the best shoes produced for the price; this is proved by my sales. I make and sell more men's \$3.50 shoes than any other many. than any other manu-lacturer in the world.

ABSOLUTELY SATISFACTORY. "Having worn Douglas 55.3% hoesexclusivelyfor ten years with absolute satisfaction, will say that forcompart, wear and style 1 fine them equal to shoes for another ten for merely paid 56.00 and \$7.00 per pair." DATION M. MYERS,

If I could take you into my large factories at Brockton, Mass., and show you how carefully W. L. Douglas \$3.50 shoes are made, you would then understand why they hold their shape, fit better, wear longer, and are of greater value than any other make. BOYS SHOES, \$2.00 & \$1.75. Just the same as my men's \$3.50 shoes, the same leathers, for \$2.00 and \$1.75.
